

Summer Garden Workshops & Tour

Participants must register for all workshops.
To register, please call the Stonegate CHC at 416.231.7070 ext 307.

Natural Pesticides

Wednesday, June 30th from 6:00 - 7:30 pm

Bell Manor Community Garden

This workshop will explore natural pest control including: organic techniques for prevention, introduction to companion planting, crop rotation, plant insect relationships, diseases and natural remedies for insects and diseases.

Garden Bus Tour: HOPE Community Garden

Wednesday, July 14th from 5:00 – 8:00 pm

On July 14th we will board the bus to go to Parkdale to visit the HOPE Community Garden. During the tour, you will have the chance to learn about the neighbouring community garden, its set-up & practices, and to meet HOPE community gardeners at their monthly potluck.

Worm Composting

Wednesday, July 21st from 3:00 - 5:00 pm, Stonegate CHC

Have you ever thought about trying worm composting in your home? Worm composting is an ideal option for keen gardeners living in small spaces. This worm composting workshop will demonstrate how to set-up your own worm bin and maintain a healthy, productive (and odorless!) system.

Presented by our friends from Greenest City and the HOPE Community Garden.

Cooking with Garden Vegetables and Herbs

Wednesday, August 11th from 6:00 - 7:30 pm, Stonegate CHC

Brooke Ziebell from FoodShare, will demonstrate and share healthy cooking recipes to use for garden produce and herbs.
